BOARD OF NURSING

IN THE MATTER OF THE LICENSE OF	:	Administrative Action
	:	
STEPHAN TREMAIN RANDOLPH, RN	:	ORDER OF
License #26NR10108700	:	REINSTATEMENT
	:	OF LICENSE
TO PRACTICE NURSING IN THE	:	
STATE OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of Nursing (the "Board") upon receipt of a written petition from Stephan Tremain Randolph, RN ("Respondent") to reinstate his license to practice as a Registered Professional Nurse. By Final Consent Order filed on December 3, 2012, Respondent voluntarily surrendered his license, to be deemed a revocation, and agreed that he would not seek reinstatement until after August 23, 2013, at which time he would have to demonstrate

rehabilitation, fitness, competency, and completion of continuing education, including courses in ethics. Respondent originally voluntarily surrendered his license after being arrested for allegedly stealing \$800 from a critically injured patient who subsequently died. Respondent pled guilty to theft by unlawful taking and was sentenced to probation for three years. He was also required to participate with the Sheriff's Labor Assistance Program (SLAP) for sixty days.

As part of his petition for reinstatement, Respondent reports that he successfully completed SLAP and probation - which ended on May 31, 2013 due to Respondent's exemplary behavior. Respondent has participated in mental health therapy since the time of his arrest to the present. His therapist has provided periodic reports and fully supports the reinstatement of Respondent's license to practice. Additionally, Respondent has provided ample proof of completion of continuing education, including courses in ethics.

The Board has determined that Respondent has complied with the terms of the Final Consent Order. The Board has, therefore, determined that the within Order is sufficiently protective of the public health, safety and welfare; and in lieu of further proceedings, and for other good cause shown;

IT IS on this 7th day of Feb., 2014

HEREBY ORDERED that:

1. Respondent's petition for reinstatement of his license to practice nursing in New Jersey is hereby granted.
